

# EVO is proud to be the **Preferred Payment Processor** of IndEx.

## BENEFITS OF PROCESSING WITH EVO

### Offset the cost of doing business

- Save on payment processing rates with Level 2 and 3 transaction support.
- Add an additional fee to credit card transactions to offset your cost of accepting credit card payments.
- Leverage the great rates negotiated on your behalf by IndEx.

### Get paid faster

- Give customers flexible payment options by allowing them to pay with either credit card or ACH.
- Easily send requests for payment to customers through email or text message.
- Give customers access to an online portal where they can make payments 24/7.
