## Streamline Your Projects With the Water Experts

### Water Filtration Solutions in Easy-to-Spec, Single Systems

**We know water.** It impacts the taste of beverages, keeps your equipment running smoothly, and impacts your bottom line. The single-system filtration solutions from Pentair were engineered with that in mind.

**Even better.** We've simplified the process and made specifying the right solution easier! This way, you save time organizing your projects and more time adding profits.

- New single-system filtration solutions are available on AutoQuotes & KCL
- Variety of configurations for fountain, coffee, ice, and multiple-equipment beverage applications

### Feel Confident About Your Choice. Insist on Pentair.
