## 30+ YEAR PARTNERSHIP WITH NSC

Since 1994, FNIC has been a long-standing vendor partner of NSC. FNIC is a true insurance partner capable of delivering relevant insurance and risk management advice. We work with you as a strategic partner to understand your operation, identify risks unique to you, and ensure your insurance policies provide the coverage your looking for. By focusing on your individual business objectives and risks, we ensure that your policies are not just generic solutions but are designed to protect what matters most to you.

## COMMERCIAL INSURANCE

We focus on coverage first because we want you to have the coverage in place that protects the assets you have worked hard to build.
