

# Your source for replacement parts

## AllPoints. The Place for Replacement Parts

### We have what you need

AllPoints combines the most complete inventory of Non-OEM parts, the simplicity of identifying hard-to-find parts and easy access to OEM parts.

### When you need it

With 5 distribution centers and same-day counter pick-up, we can get parts to you fast. 66% of AllPoints customers receive their parts in just one day with ground shipping.

### From someone you can rely on

We act as a member of your team. We're here to help you ID parts, confirm availability, and provide delivery dates you can rely on.

## Non-OEMs: The best price. The best performance.

We offer the most complete inventory of Non-OEM parts in the country, and we're continually adding more to our selection. **Quality Non-OEM parts give you the high performance you need, at a better value for you and your customers.** No branding or middle man to add costs — just the top quality parts you need to get the job done.

For over 20 years, AllPoints has been **PROUD to PARTNER** with

*"One vendor has stood with the NSC through thick and thin for the past 20 years. AllPoints. As our charter partner with the IndEx Group, they have brought countless innovative programs to our membership. Year after year they look for ways to save IndEx members money and make our lives easier. Whether it's truck stock parts, miscellaneous electrical items, safety equipment or hard-to-find replacement parts, we have come to rely on AllPoints to be there for us."*

**Patrick Duffy**  
NSC President and Chairman of the Board
