The IndEx WEX Fleet Card

Control Employee Spending

Set limits that work best for your business, including dollars per transaction, fueling locations, authorized times and days, product types, and more.

Know who spends what, where and when

Driver ID numbers entered at the pump add an extra layer of security, and let you track expenses by employee, location, and time of purchase.

Help prevent unauthorized purchases

Transactions outside your spending limits are stopped at the pump. You can also get email alerts for suspicious activity, product exceptions, transaction errors, and more.

Premium GPS Tracking

NOW WITH OPTIONAL IN-CAB CAMERA* & ASSET TRACKING SERVICE

Starting at \$24.50 each/month.
No minimum order.

WEX Telematics can help your business be safer, more compliant and more efficient.

The WEX Advantage

Free and seamless WEX Fleet Card integration puts all of your vital fleet data in one application. The ability to track the time spent on the job can improve your customer service levels. Our tools and team of trusted advisors can help you optimize routes and improve billing accuracy to better serve your customers.

Now with optional in-cab camera* and asset tracking service

When you combine our Premium GPS Services with our new in-cab camera* options, you can identify risky driver behaviors, capture video of critical events and easily recreate accidents to share with insurance or police.

Reduce Cost and Improve Safety with Near-Real-Time Data

WEX Telematics can help you reduce fuel spend and accident rates, resulting in lower operational costs. You'll be alerted, usually within one second, when hazardous driving behaviors occur. Improved driver safety and accountability can mean lower insurance rates.

Manage Compliance

Improve worksite compliance, ensure timely vehicle inspections, and reduce paperwork with electronic logs.

*Additional costs apply.

WEX PREMIUM GPS HELPS YOU:

- Confirm vehicle location and activity at a glance
- Detect unsafe behavior like speeding, sharp turn and harsh braking
- Track every stop and time spent with customers using landmarks
- Optional in-cab camera* helps protect your drivers and your bottom line

A POWERFUL COMBINATION

WEX Telematics can be used in concert with your WEX fleet card program to understand where, when and how your vehicles are being used, encourage safe driver behavior and comply with federal mandates.
